

Utah Department of Public Safety (DPS) Tribal Consultation Annual Report Executive Summary June 2016 – June 2017

DPS Mission Statement

“Our Mission is to Provide a Safe and Secure Environment for All People in Utah”

Quality of Life Initiatives

- *Provide a Safe and Secure Environment*
- *Provide Excellent Internal and External Customer Service*

Objective

The Department of Public Safety (DPS) assures that consultation by its Divisions will follow a meaningful and comprehensive process that promotes effective communication with the tribes. DPS will make every effort to ensure that consultation with a tribe is conducted as early as possible, is carried out in good faith, and that honesty and integrity are maintained by DPS, at all stages of the consultation process.

Highlights

Over the past 12 months, DPS has provided 35+ consultations (mostly on Tribal sites) and participated in Tribal Activities, such as: Indian Caucus Day, Indigenous Day, Utah Tribal Leader’s Meetings, Utah Tribal Emergency Response Committee Meetings, and Utah Governors Native American Summit.

The charts below demonstrate the Tribes within Utah and consultations with each. The results show a statewide balance of service provided by Department of Public Safety.
