

FY19 ARTS LEARNING GRANT

GRANT DEADLINE: FRIDAY, MARCH 23, 2018, 5:00 P.M. | REQUEST RANGE: \$2,000-\$7,000

You are responsible for being familiar with the information contained in these guidelines; please read the entire document.

The mission of the arts education program is to foster lifelong learning in the arts through improving access to the creative process as well as deepening artistic knowledge and skill. Arts Learning Grants provide funding for interactive and comprehensive arts education-based projects in which a qualified teaching artist(s) works with a specific community population, organization, or school. Arts learning projects may be for children, youth, or adults. The proposed project must include hands-on instruction and creation of original work by learners under the direction of a qualified teaching artist(s). Arts learning projects may be thematic and focus on a particular core area such as math, science, language arts, or social studies through dance, theatre, music, storytelling, film/video, visual arts, and creative writing. The most successful applications will clearly delineate the learning objectives of the project. Please be aware that this is a competitive grant, and not all projects will be funded. Projects may receive partial funding. Exceptional projects may receive full funding. Grant funds must be used between July 1, 2018 and June 30, 2019.

Examples of projects include:

- In-depth in-school projects/residencies for K-12 students
- Arts learning opportunities in community centers, including those serving adults and seniors
- Creation of public artwork where a community population works with a teaching artist to create an installation. This funding can pay for the professional cost of the teaching artists' time and up to \$800 (\$400 of arts materials/consumables and \$400 for equipment directly associated with the project)
- Cross-cultural project with folk or traditional artists
- Master class for an identified community, group, or population
- After-school or summer camps that provide *extended* contact time with teaching artists to create new work
- Professional development workshop for K-12 teachers in a specific artistic discipline

GRANT WRITING BEST PRACTICES

- Read the guidelines before you begin

- Have a person who is unfamiliar with your organization read your application prior to submission and give you feedback. Think about writing to an audience who does not know what you do.
- Ensure the budget supports the narrative in fact and values.
- Please call if you have questions that are not answered in these guidelines.

APPLICATION REVIEW QUESTIONS

All applications must be submitted online through the grant application portal. If you do not currently have access to the portal, it can take up to two days to receive a portal account. If there has been a change in staff at your organization, please contact us so we can set up the correct account for access to our portal.

Eligible applications will be reviewed by a panel of community professionals and a member of the Utah Arts Council board. The panel will evaluate each application based on questions as outlined below.

Grants made by the Utah Division of Arts and Museums encourage arts, museum, and cultural experiences in communities state-wide and for all the citizens of Utah who contribute to the revenue of the state through taxes. Grants are intended to benefit arts organizations and museums, but also provide Utah residents with opportunities to participate in cultural activities. Grant panels work diligently to evaluate grants based on artistic merit, sound fiscal management, and ability to reach a broad community.

REVIEW PROCESS

A panel of peers will review and score the applications based on the criteria in the guidelines. The process is overseen by staff and a board member. Grant awards depend on the amount of funding requested, how the applicant scores in the review process (with attention paid to regional, rural, and state-wide distribution of state funds), and the total amount of funding available. The Utah Arts Council Board of Directors reviews and approves final funding recommendations. Following board review, applicants are notified and contracts are sent via email. Applicants must sign and return contracts before payment can be made. Funds will not be available until after August 1, 2018.

 - Artist (artistic company) salary at \$30 per hour (minimum).
