

## FY19 LOCAL ARTS AGENCY GRANT

GRANT DEADLINE: FRIDAY, FEBRUARY 16, 2018, 5:00 P.M. MST

Please read this entire document. The policies and procedures that follow the application questions are important. It is your responsibility to be aware of all information contained here.

Local Arts Agency grants provide general operating support for Local Arts Agencies (sometimes known as local arts councils) to ensure that the cultural, civic, educational, and economic benefits of the arts are accessible to every community in the state. This is a competitive panel reviewed grant. No organization is guaranteed funding from one year to the next. Funding levels are contingent on many factors, including resources available and the current pool of applications. Because of limited funds, and because this is a competitive grant process, grant awards may not vary significantly from previous awards. Grants are evaluated based on the strength of the written application.

A Local Arts Agency (LAA) is the primary, designated organization in a defined geographic area that supports and advances the arts for its community. It does this by engaging residents, identifying and addressing community needs, reflecting community demographics, contributing to the quality of life, building community identity, and supporting artists and arts organizations. An LAA is differentiated from other community arts organizations by its responsibility for fostering the arts throughout the entire community and by offering various types of arts services and/or activities that are often multidisciplinary in nature.

Request range: up to \$15,000

### WHO CAN APPLY?

## APPLICATION QUESTIONS

All applications must be submitted online through the grant application portal. If you do not currently have access to the portal, it can take up to two days to receive a portal account. If there has been a change in staff at your organization, please contact us so we can set up the correct account for access to our portal.

Eligible applications will be reviewed by a panel of community professionals and a member of the Utah Arts Council board. The panel will evaluate each application based on the following questions and scoring rubric.

## REVIEW PROCESS

Grants (funding awards) made by the Utah Division of Arts and Museums support arts, museum, and cultural experiences in communities state-wide. Grants are intended to provide Utah residents with opportunities to participate in cultural activities. Grant panels work diligently to evaluate grants based on artistic merit, sound fiscal management, and ability to reach a broad community.

A panel of peers will review and score the applications based on the criteria in the guidelines. The process is overseen by a UA&M staff member and a Utah Arts Council board member. Grant awards depend on the amount of funding requested, how the applicant scores in the review process (with attention paid to regional and rural distribution of state funds), and the total amount of funding available. The Utah Arts Council Board of Directors reviews and approves final funding recommendations. Following board review, applicants are notified and contracts are sent via email. Applicants must sign and return contracts before payment can be made. Funds are not available until after August 1, 2018.
